Looking to the city from the edge of the Arafura Sea, Darwin Convention Centre is the iconic landmark of Australia's tropical harbour city. Its waterfront setting is quite befitting. To the Larrakia, the traditional owners of Darwin, the harbour is a place of connection where they have welcomed visitors for centuries while trading with other indigenous tribes and Southeast Asian neighbours.

'You have come by way of the Larrakia Land. You will hear the voice of Larrakia ancestors. When you leave, the Larrakia message will stay with you.'

Reverend Walter Fejo, Larrakia Elder

Choosing a special venue like the Darwin Convention Centre enhances stronger attendance, adds a level of anticipation and excitement to an event and gives people a unique taste of northern Australian culture they might not encounter otherwise.
