

Tuesday 29 June 2010

The conference program is correct at the time of printing, however the organisers reserve the right to change the program where necessary.

TIME	EVENT	TITLE	PRESENTER	VENUE
1800–2000	Registration open			Ground Level Foyer
1800–2000	Welcome Reception			Exhibition Concourse

Wednesday 30 June 2010

TIME	EVENT	TITLE	PRESENTER	VENUE
0800–1730	Registration open			Ground Level Foyer
0800–1730	Speakers preparation room open			Ground Level Foyer
0900–1030	Plenary 1	Opening plenary Welcome to country and official opening Launch of <i>Snapshot 2010</i>	Chair: Libby Kalucy	Auditorium 2
	Keynote speaker	Primary health care ... the New Zealand journey	Jim Primrose	
	Keynote speaker	Primary health care in the Pacific region Launch of <i>CARPA Standard Treatment Manual</i>	Colin Tukuitonga	
1030–1100	MORNING TEA			Exhibition Hall 1
1100–1230	Concurrent symposia	1 Primary care research has nothing to offer policy makers—the great (evidence-based??) debate	Philip Davies, Stephen Campbell, Erica Bell, Jim Primrose, Robert Wells	Waterfront Room 2
		2 The influence of holding a 'no symptoms, no disease' belief on the quality of care for chronic disease	Marjan Kljakovic	Waterfront Room 3

Wednesday 30 June 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
	Paper session	1 Access and equity: allied health (abstracts from pg 57)	Chair: Shelagh Lowe	Meeting Room 1
1100		A local study of costs for private allied health in Australian primary health care: policy implications	Carmen Pearce-Brown	
1115		'Any extra help is useful': the role of community pharmacists in supporting people with mental illness on new medication	Wayne Kinrade	
1130		Universal Health Home Visiting: evaluating access and equity	John Widdup	
1145		Are nurse-led walk-in centres one solution for access to primary care?	Laura Forrest	
1200		To give a fish or learn to fish? Introducing physiotherapy services to the Central Highlands of Tasmania	Jennie Delaney	
1215		Discussion		
	Paper session	2 Education and training of the workforce (part 1) (abstracts from pg 59)	Chair: Wendy Brodrribb	Meeting Room 2
1100		'VITAL' (vertical integration in teaching and learning) in general practice	Marie-Louise Dick	
1115		Transgenerational learning: maximising resources, minimising teaching gaps and fostering progressive learning	Lyn Clearihan	
1130		The content of general practice registrars' consultations: the ReCEnT study	Simon Morgan	
1145		When is a rose a rose? Examining the diagnostic choices of GP supervisors and registrars in mental health	Louise Stone	
1200		International evaluation framework to measure the effectiveness, outcomes and impact of social accountability in medical education	Robyn Preston, Iris Lindemann	
1215		Discussion		

Wednesday 30 June 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
	Paper session	3 Preventive health: lifestyle and intervention (abstracts from pg 62)	Chair: Rachel Yates	Meeting Room 3
1100		What determines the walking behaviour of older Australians? Lessons from the Melbourne Longitudinal Studies on Ageing	Jane Sims	
1115		Healthy bones and a healthy heart: is walking enough?	Gordon Waddington	
1130		Lifestyle intervention by generalist community nurses: preliminary findings from an online clinician survey of the CN SNAP Trial	Bibiana Chan	
1145		Influences on parents and their adolescent daughters with respect to human papillomavirus immunisation provided in school under the National Immunisation Program	Wendy Bissinger	
1200		High dose intermittent vitamin D to correct vitamin D deficiency in adolescents: a randomised controlled trial	Tania Winzenberg	
1215		Discussion		
	Paper session	4 Quality of care: diabetes (abstracts from pg 64)	Chair: Mark Harris	Meeting Room 4
1100		What works in diabetes prevention programs: a qualitative evaluation of consumer responses	Prasuna Reddy	
1115		Assessing the quality of diabetes care in Far North Queensland primary health care centres	Ru Kwedza	
1130		Practice nurses in collaborative care of diabetes, heart disease and co-morbid depression	Mark Morgan	
1145		Stepping up to insulin initiation in general practice: impact on general practitioner, practice nurse and patient	Irene Blackberry	
1200		Detecting undiagnosed diabetes using A1C, an automated screening test in hospitalised patients	Nyoli Valentine	
1215		Discussion		
1230-1400	LUNCH	Lunch and topic tables		Exhibition Hall 1
1230-1400		AAAPC Meeting		Waterfront Room 2

Wednesday 30 June 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
1400–1530	Concurrent workshops	1 Aboriginal and Torres Strait Islander health research. Tackling the new and emerging challenges!	Janelle Stirling, Shawn Wilson, Sanchia Shibasaki, Dallas Leon	Waterfront Room 2
		2 Keeping up to date in a busy world: some evidence-based practice tips	Chris Del Mar, Mieke Van Driel, Tammy Hoffman	Waterfront Room 3
	Paper session	5 Access and equity: policy (abstracts from pg 67)	Chair: John Furler	Meeting Room 1
1400		Primary care and health system improvement: views from Australia and the region	Philip Davies	
1415		Evaluating policy and practice interventions on access to best practice primary health care	Elizabeth Comino	
1430		Using patient surveys to drive up standards—the UK experience	Andrew Cubie	
1445		Working with underserved communities to improve health care: is socially accountable medical education the key?	Sarah Larkins	
1500		Patient affiliation with GPs in Australia—who is and who isn't and does it matter?	Ian McRae	
1515		Discussion		
	Paper session	6 Education and training of the workforce (part 2) (abstracts from pg 69)	Chair: Louise Stone	Meeting Room 2
1400		Breastfeeding knowledge needs and deficits of Australian GP registrars—a mixed-methods study	Wendy Brodribb	
1415		Training of primary health care staff in dealing with child abuse and neglect in the Northern Territory: evaluation findings	John Reid	
1430		General practitioner perceptions of working with adolescents	Carmen Jarrett	
1445		Engaging young men in primary health care	Carol Holden	
1500		Changes in analgesic drug utilisation following primary-care educational interventions	Jeff Elliott	
1515		Discussion		

Wednesday 30 June 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
	Paper session	7 Quality of care: allied health (abstracts from pg 72)	Chair: Helena Britt	Meeting Room 3
1400		Information from pharmaceutical companies and physicians' prescribing: a systematic review	Geoffrey Spurling	
1415		Improving research translation into general practice: the IMPLEMENT cluster RCT	Simon French	
1430		Characterising community pharmacist interventions to effectively reduce risk of cardiovascular disease onset	Kevin Mc Namara	
1445		Physician's assistants: a workforce solution for Australia?	Linda Kurti	
1500		Non-invasive blood pressure measuring devices and traumatic brain injury	Sandy Muecke	
1515		Discussion		
	Paper session	8 Improved workforce conditions: issues and solutions (abstracts from pg 74)	Chair: Janice Chesters	Meeting Room 4
1400		Empowering rural communities to find future health workforce solutions	Julie Middleton, Sharon Kosmina	
1415		Workforce underpins everything we do ... the role and capacity of Divisions of General Practice to respond to workforce issues	Sharon Kosmina	
1430		The New South Wales Rural Allied Health Workforce Study	Sheila Keane	
1445		The experience and impact of patient initiated aggression in Australian general practice: a qualitative study	Rhian Parker	
1500		Professional medical organisation responses to patient-initiated aggression in general practice: an opportunity for reform?	Dagmar Ceramidas	
1515		Discussion		
1530-1600	AFTERNOON TEA			Exhibition Hall 1

Wednesday 30 June 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
1600–1700	Concurrent workshops	1 Continued		Waterfront Room 2
		2 Continued		Waterfront Room 3
	Paper session	9 Preventive health: community (abstracts from pg 77)	Chair: Megan Passey	Meeting Room 1
1600		Subsidised fruit and vegetables for Aboriginal families—health intervention or just a hand-out?	Andrew Black	
1615		MOSAIC: a cluster randomised trial of mentor support to reduce intimate partner violence and depression among recent mothers in primary care populations	Angela Taft	
1630		Hidden from view: families caring for a person with a long-term catastrophic injury in the community	Caroline Bulsara	
1645		Does the frequency of testing for HIV and other STIs in MSM match Australian guidelines?	Rebecca Guy	
	Paper session	10 Building research capacity (part 1) (abstracts from pg 79)	Chair: Lyn Brun	Meeting Room 2
1600		Optimising international primary health care research capacity: a case study analysis	Grant Russell	
1615		What role do organisations play in research capacity building in allied health?	Xanthe Golenko	
1630		A comparison of different models of practice-based research networks	Susan Goode	
1645		From little things, big things grow: implementing community-based health practitioner involvement in primary care research	Ruby Biezen	

Wednesday 30 June 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
	Paper session	11 Coordinated care of complex conditions (part 1) (abstracts from pg 81)	Chair: Mark Nelson	Meeting Room 3
1600		How effective are different service linkage strategies in primary mental health care?	David Perkins	
1615		Childhood obesity: how do Australian general practitioners feel about managing this growing problem?	Romayne Moore	
1630		ComDiab—a community-based diabetes education program	Stephen Crone	
1645		Never the twain? Different types of integrated care centres and their effectiveness	Mark Harris	
	Paper session	12 Improved workforce conditions: general practice (abstracts from pg 83)	Chair: David Lyle	Meeting Room 4
1600		Will there be a doctor in the house? Retirement intentions of Australian GPs aged 45–65 years	Tom Brett	
1615		Will there be a doctor in the house? Work intentions and opinions of GP registrars	Diane Arnold-Reed	
1630		Is there a link between family factors and work–life balance of Australian general practitioners?	Durga Shrestha	
1645		Bullying in the Australian medical workforce: more common than you think	Deborah Askew	
1700–1900	Reception	AAAPC Poster reception join us for drinks and nibbles as you browse through the posters and chat with the authors about their work		Exhibition Hall 1
1930		AAAPC Dinner Presentation of Bridges-Webb Medal	Libby Kalucy	Hanuman Restaurant

Thursday 1 July 2010

TIME	EVENT	TITLE	PRESENTER	VENUE
0745–0845	Breakfast session	1 AAAPC Heads of Department meeting		Waterfront Room 2
0730–0845	Breakfast session	2 Improving health care for young people through primary health care research and health reform	Carol Kefford, Carmen Jarrett	Waterfront Room 3
0800–1730	Registration open			Ground Level Foyer
0800–1730	Speakers preparation room open			Ground Level Foyer
0900–1030	Plenary 2	AAAPC plenary	Chair: Dimity Pond	Auditorium 2
	Keynote speaker	Indigenous primary health care research and health care reform: improving care	Noel Hayman	
	Distinguished papers	1 Improving quality of preventive care for well adults in Indigenous community health centres	Ross Bailie, Damin Si	
		2 Testing an innovative tool to diagnose melanoma in primary care	Jon Emery	
1030–1100	MORNING TEA			Exhibition Hall 1
1100–1230	Concurrent symposia	3 Evaluating complex multi-level health system interventions: a framework and evidence from the Primary Care Partnership Strategy in Victoria	Kate Silburn	Waterfront Room 2
		4 Improving care: the value of using a community participatory research model to inform meaningful health care research and reform	Caroline Bulsara, Anne McKenzie	Waterfront Room 3
	Paper session	13 Knowledge exchange and translation (abstracts from pg 85)	Chair: Petra Bywood	Meeting Room 1
	1100	The contribution of primary health care research to the 2008–09 health reform process	Elizabeth Kalucy	
	1115	Research in policy—evidence base, political spin or fertile research ground?	Kirsty Douglas	
	1130	Learning and working together: the effect of incentives to promote teamwork in primary health care: a narrative review of evidence from five comparator countries	Lucio Naccarella	
	1145	An algorithm for the diagnosis and management of chest pain in primary care	Michael Yelland	
	1200	Analysing pharmacist recommendations in an aged care facility	Hanan Khalil	
	1215	Discussion		

Thursday 1 July 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
	Paper session	14 Management of health information (abstracts from pg 87)	Chair: Peter Del Fante	Meeting Room 2
1100		Improving discharge summaries through education	Lesley Stainkey	
1115		Variability in general practice prescribing systems—do they support safety and quality of care?	Margaret Williamson	
1130		Differences in psychoactive prescribing between older patients living in care and at home	Colin McCowan	
1145		Chronic disease in culturally and linguistically diverse populations in Queensland: challenging the healthy migrant effect	Mieke Van Driel	
1200		A review of primary care management of chronic heart failure in two towns of rural South Australia	Katie Hondow	
1215		Discussion		
	Paper session	15 Patient-centred care (abstracts from pg 90)	Chair: Tania Winzenberg	Meeting Room 3
1100		Fertility-awareness: knowledge, attitudes, and practices of women attending three different general practices in Victoria, Australia	Kerry Hampton	
1115		What motivates patients with chronic illness to actively self-manage?	Tanisha Jowsey	
1130		Patient experiences of cardiovascular absolute risk assessment	Sanjyot Vaghokar	
1145		The influence of baseline characteristics in response to a laser acupuncture intervention—an exploratory analysis	Gregory Glazov	
1200		Ignorance is bliss? Sexual knowledge, sexual abuse and self-protection in women with intellectual disability	Gillian Eastgate	
1215		Discussion		

Thursday 1 July 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
	Paper session	16 Self-management (abstracts from pg 92)	Chair: Richard Reed	Meeting Room 4
1100		Exploration of parents' knowledge, beliefs, and perceptions of the evidence in relation to the management of acute otitis media	Janine Howlett	
1115		Exploring the gaps between current evidence and clinical practice in the management of people with type 2 diabetes from the consumers' perspective	Tammy Hoffmann	
1130		Dementia: opportunities for risk reduction and early detection in general practice	Fiona Millard	
1145		Development of a web-based resource for rural and remote health professionals to support chronic disease self-management	Tony Smith	
1200		Developing a teaching tool to empower patients' self-care in osteoarthritis	Jennifer Newton	
1215		Discussion		
1230–1400	LUNCH	Lunch and topic tables		Exhibition Hall 1
1400–1530	Concurrent workshops	3 Understanding knowledge exchange: strategies for dialogue and collaboration	Rhian Parker, Robert Wells, Philip Davies, Libby Kalucy, Angela Dawson	Waterfront Room 2
		4 How to write a grant? Tips for success	Kelsey Hegarty, Grant Russell, Nick Zwar, Jon Emery	Waterfront Room 3
	Paper session	17 Health care systems (abstracts from pg 95)	Chair: Tilley Pain	Meeting Room 1
1400		Assessing system development for quality improvement in Indigenous primary health care	Karen Gardner	
1415		Evaluation of the ACT benzodiazepine voluntary undertaking program	Lara Bishop	
1430		General practice encounters with patients aged 65+: 2001–02 and 2008–09	Lisa Valenti	
1445		Independent effect of general practice co-location with pathology collection centres on GP pathology test ordering in Sydney and Melbourne metropolitan areas	Helena Britt	
1500		'Them and us'—integrating health care in the Tasmanian physiotherapy context	Jennie Delaney	
1515		Discussion		

Thursday 1 July 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
	Paper session	18 Quality of care: Indigenous health (abstracts from pg 97)	Chair: John Reid	Meeting Room 2
1400		Issues in establishing and sustaining improvements in care quality in primary health practices	Michel Burgum	
1415		Evaluation of a cultural training experience undertaken in a regional Aboriginal medical service (for basic registrars)	Lyn Brun	
1430		Improving patient care: chronic heart failure self-management in Aboriginal and Torres Strait Islander peoples	Janelle Stirling	
1445		Caring for pregnant Aboriginal women: provider views on managing tobacco, alcohol and cannabis use	Megan Passey	
1500		Pacific women's experiences of traditional and midwifery healing practices in New Zealand: a pilot study investigating Samoan women's pregnancy needs in primary health care	Ausaga Fa'asalele Tanuvasa	
1515		Discussion		
	Paper session	19 Research and evaluation methodology (abstracts from pg 100)	Chair: Chris Del Mar	Meeting Room 3
1400		Program logic: a framework for health program design and evaluation—the Pap Nurse in General Practice Program	Christine Hallinan	
1415		Mapping the longitudinal patterns of depression using a mixed-method approach: results from the Diamond study	Hariz Halilovich, Maria Potiriadis	
1430		Components of primary care interventions to treat childhood overweight and obesity: a systematic review of effect	Ginny Sargent	
1445		Exposure to traumatic events: prevalence of post-traumatic stress disorder and alcohol abuse in Aboriginal communities	Gelaye Nadew	
1500		Rural community perceptions of health determinants in South Australia's mid north	Gary Misan	
1515		Discussion		

Thursday 1 July 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
	Paper session	20 Preventive health: general practice (abstracts from pg 102)	Chair: Suzanne McKenzie	Meeting Room 4
1400		Australian zoster study: GP and patient views about herpes zoster (shingles)—its complications, and the likely acceptance of a zoster vaccine (Zostavax)	John Litt	
1415		Does single application of topical chloramphenicol to sutured wounds reduce incidence of wound infection after minor surgery? Prospective randomised placebo controlled double-blind trial	Clare Heal	
1430		Practice nurse management of overweight and obesity: a literature review	Laura Forrest	
1445		Implementing cardiovascular absolute risk assessment in primary care: GP perspectives	Elizabeth Denney-Wilson	
1500		Dementia detection in general practice: clinical diagnosis or brief screening instrument?	Dimity Pond	
1515		Discussion		
1530–1600	AFTERNOON TEA			Exhibition Hall 1
1600–1700	Concurrent workshops	3 Continued		Waterfront Room 2
		4 Continued		Waterfront Room 3
	Paper session	21 Access and equity: specific groups (abstracts from pg 105)	Chair: Elizabeth Comino	Meeting Room 1
1600		Continuous quality improvement in the Northern Territory	Kerry Copley	
1615		Refugee and asylum seeker experiences of general practice services in countries of resettlement: a narrative synthesis	I-Hao Cheng	
1630		Prevalence of infectious diseases and nutritional deficiencies in Queensland's newly arrived refugee community	Margaret Kay	
1645		Patient-centred care in primary health practices: the Brazilian experience of public health professionals and women victims of domestic violence	Marcos Signorelli	

Thursday 1 July 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
	Paper session	22 Building research capacity (part 2) (abstracts from pg 107)	Chair: Sarah Larkins	Meeting Room 2
1600		General practitioner doctoral candidates in Australia 2005 to 2010	Gerard Gill	
1615		Fostering research among GP registrars: the AOGP model	Taryn Elliott	
1630		How to create GP researchers: a Dutch example of research capacity building	Sanne Kreijkamp-Kaspers	
1645		Rural Research Capacity Building Program: capacity building outcomes	Emma Webster	
	Paper session	23 Coordinated care of complex conditions (part 2) (abstracts from pg 109)	Chair: James Dunbar	Meeting Room 3
1600		A pilot study of nurse-led dementia screening in primary care	Paula Convery, Dimity Pond	
1615		Preventing admissions to the hospital of people with complex chronic conditions: a root cause analysis	Richard Reed	
1630		Chronic illness, income and sense of control: what are the implications for primary care practice?	Laurann Yen	
1645		Qualitative review of an electronic decision support tool for type 2 diabetes—using 'DAVE' in general practice	Nick Zwar	
	Paper session	24 Health literacy (abstracts from pg 111)	Chair: Carmen Pearce-Brown	Meeting Room 4
1600		Interventions to improve lifestyle health literacy in disadvantaged populations	Mark Harris	
1615		Effective interventions to improve health literacy associated with SNAPW risk behaviours	Sarah Dennis	
1630		Seeking and receiving medicines information	Tessa Morgan	
1645		How a Cochrane review caught the public imagination sensitised to pandemic flu	Chris Del Mar	
1715–1815		AAAPC AGM		Waterfront Room 2
1830 for 1900– midnight	DINNER	Conference dinner An alfresco evening under the stars—dance and talk the night away!		Darwin Sailing Club

Friday 2 July 2010

TIME	EVENT	TITLE	PRESENTER	VENUE
0800–1330	Registration open			Ground Level Foyer
0800–1200	Speakers preparation room open			Ground Level Foyer
0830–1000	Concurrent symposia	5 Service linkages and partnerships for improved primary health care	Judy Taylor, Jeffrey Fuller, David Perkins, Sarah Larkins, Robyn Preston	Waterfront Room 2
		6 The Gudaga Study: contributing to reform of perinatal and early childhood services for Aboriginal infants and their families	Elizabeth Comino, Lynn Kemp, Mark Harris	Waterfront Room 3
	Paper session	25 Access and equity: general practice (abstracts from pg 113)	Chair: Julie Bate	Meeting Room 1
0830		Regional socioeconomic disadvantage and distribution of general practitioners	Michelle McIsaac	
0845		'You need a mate': a qualitative study of referral pathways in colorectal cancer	Shane Pascoe	
0900		Does GP care of drug and alcohol patients cause distress to other patients? A cross-sectional waiting room study	Parker Magin	
0915		GPs and Refugees in NSW (GRiN): improving care provided by general practitioners to refugees in NSW	Winston Lo	
0930		General practice guidelines for the care of lesbian, gay and bisexual patients	Ruth McNair	
0945		Discussion		
	Paper session	26 Preventive health: health checks (abstracts from pg 115)	Chair: Karen Gardner	Meeting Room 2
0830		Exploring the delivery of the Healthy Kids Check in Australian general practice—the first year	Karyn Alexander	
0845		Indigenous Child Health Checks: the view from the city	Justin Coleman	
0900		The contribution of the Adult Health Check to preventive care in a remote Aboriginal primary care service	Christopher Paul Burgess	
0915		A Divisions-eye view on closing the gap with Aboriginal Health Checks	Cecilia Moretti	
0930		Linkages study: 45 to 49-year-old health check—does it promote lifestyle change?	Deborah Roczo	
0945		Discussion		

Friday 2 July 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
	Paper session	27 Quality of care: general practice (abstracts from pg 118)	Chair: Mieke Van Driel	Meeting Room 3
0830		Depression in palliative patients: prevalence and risk factors	Beverly Dennis	
0845		Gastro-oesophageal reflux disease in general practice 1998 to 2008	Graeme Miller	
0900		General practice and genital warts in Australia: prevalence, treatment and cost	Marie Pirotta	
0915		The management of ischemic heart disease in Australian general practice	Nigel Stocks	
0930		Evidence-practice gap in GP pathology test ordering: a comparison of BEACH GP pathology ordering data and recommended testing	Clare Bayram	
0945		Discussion		
	Paper session	28 Response to local needs (abstracts from pg 120)	Chair: Deborah Askew	Meeting Room 4
0830		Climate change: how can primary health care practitioners and researchers make a bigger difference?	Erica Bell	
0845		Stories of innovation in health partnerships	Jerry Bacich	
0900		A rural pharmacy-based 'Waist Management Project': bringing the program to the people	Nicole Kellow	
0915		Otitis media in Indigenous children: a comparison of remote and urban communities	Fiona Simpson	
0930		The psychosocial impacts of fly-in/fly-out and drive-in/drive-out mining on mining employees: a qualitative study	Amanda Torkington	
0945		Discussion		
1000-1030	MORNING TEA			Exhibition Hall 1
1030-1200	Plenary 3	APHCRI plenary	Chair: Robert Wells	Auditorium 2
	Keynote speaker	Should pay-for-performance be introduced into Australian health care? Lessons from abroad	Stephen Campbell	
1200-1230	Close	Awards and thank you	Chair: Ellen McIntyre	

Friday 2 July 2010 (cont)

TIME	EVENT	TITLE	PRESENTER	VENUE
1230–1330	LUNCH			Exhibition Hall 1
